To Whom It May Concern,

Contact Network LLC, SPIN Number 143005029, would like to request a waiver to allow USAC to extend the invoice deadline for 471 Application number 916602 FRN 2498891 for Clinton Public School District. Contact Network, LLC filed for an invoice extension request with USAC prior to the last date to invoice and was granted an extension. However, the subsequent Form 474 was rejected which we believe to be incorrect. On this 471 there is still a balance due Contact Network of \$16,102.80. I am currently working with Jeff Walsh with USAC to have all the outstanding money owed by the Schools and Library Division collected.

Please let me know if additional information is required.

Sincerely,

/s/
